

All roads lead to Jung von Matt/Limmat

If you're coming from the airport or from the main railway station in Zurich (the "Hauptbahnhof"), take a taxi and say "Wolfbachstrasse 19. That's near the Schauspielhaus" (or "Wolfbachstrasse neunzehn. Das ist beim Schauspielhaus" in German) to the driver. That will get you to us in about 20 minutes from the airport, or 5 minutes from the station.

If you like, **you can also take a tram from the Hauptbahnhof**. Take the **Number 3**. Get off at the **Kunsthhaus stop**, then carry on walking in the same direction as your tram, into **Hottingerstrasse**. Turn into the first street on your left, and you're in **Wolfbachstrasse**.

If you're coming by car, the map shown here should help. Follow the "City" signs, no matter which direction you're coming from. You'll soon see signs for "Bellevue". The "extension" of the Quaibrücke at Bellevue (i.e. the street leading away from the Limmat) is called **Rämistrasse**. **Drive round Bellevue**, then up **Rämistrasse** to the Kunsthhaus on Heimplatz. Two streets lead away to your right from here. Take the second of these streets, i.e. **Hottingerstrasse**, then – Look Out! – turn immediately first left. Now you're in Wolfbachstrasse.
